Our ministry is to help and serve the Native American Indians.

We have been serving lunch to the homeless/street folks for 5 years. This year we have added CELEBRATE RECOVERY to help the people with the alcohol/drug issues that is a common factor on the streets.

We also added FEED the CHILDREN to help needy kids on the motel strip, the low-income areas, the Reservation, and the community.

A NETWORKING list that has helped us build our ministry from 2012-2016.
